

FIFTH GRADE SUPPLY LIST

The entire class, including myself will be held to high expectations in obtaining a great learning experience and maintaining a quality education for our students. To do this, your child will need the basic supplies for class. The district must see to it that all children have what they need whether it is textbooks or pencils. Any additional supplies you provide, however, enable us to use money for other essential materials and services for your child. Below is a list of recommended supplies which you may want to purchase over the summer for your child to bring to **5th Grade** next year.
